## DISMISS COHALAN CHARGES, "BUT JUDGE MADE MISTAKE"

Committee Reports to Legislature He Should Not Have Yielded to Connolly.

NOTHING WAS PROVED.

Recommendation Made That Proceedings Be Dropped and No Further Action Taken.

ALBANY, July 17.-The Senate O and Assembly Judiciary Committees which have been investigating the charges against Supreme Court Justice Daniel F. Cohalan completed their repor to the Legislature to-day and found that none of the causes alleged for his removal has been proved and that a case for legisla tive action against the Justice has not been established.

The committee declares, however

condent testified that settlement was made by him for the purpose of

mittee that the proceedings be dismissed and that no further action taken by the Legislature.

The only negative votes in the committee were cast by Assemblymen John Leo Sullivan of Chautauqua and Charles J. Vert of Clinton, Republicans. according to the report. The motion declaring it to be the sense of the com-mittee that Justice Cohalan should not be removed from office was carried unantmously. Mr. Sullivan not voting. DIFFICULTY IN ROUNDING UP

MEMBERS.

While the majority leaders had difficulty in rounding up a full house mem-

Held under a close call of the House, the members of the Assembly who had replied to the summons of Speaker Smith to be present to vote on the report learned to their sorrow that the intention was to keep them together until the Sergeant-at-Arms and his assistants had rounded up the absentees. Speaker Smith said this might take all day, but he thought it only fair to those Barns, If who had come here that those Herzog, 3b. who had ignored the order should be Fletcher, ss haled before the bar of the House for punishment. Early this afternoon over twenty Democrats and two Republicans Murray, rf .....

Daniel, manufacturing jewelers, on the of the hearing of the case of Mrs. John Nos. 213-217 Grand street, tried to open with the findings in one of the strong boxes, walked away with more than \$20,000 worth of gold, diamonds and other precious stones.

time last night on Grand street another flock of the jimmy-men was at work on the safes of the Harrison Ice Cream 7 Company, at No. 39 Gosrek street, the other side of the Bowery. These men were "pikers" compared with the Irand street operatives; they took only

Bernard Daniel, one of the partners in the firm of Rosenberg & Daniel. which employs more than 100 workmen n its factory, and which has a selling place at No. 37 Matter Lane, came to the Grand street building before seven when she refused. o'clock this morning, and was taken to

Joseph Taswell, engineer of the building who had come to work a few min- the attentions Dr. Mason was paying Daniel that he had found the front door of the building unlocked; Taswell had the assertion of Mrs. Tatum that Dr. not considered that fact at all starming. Mason is a married man with children

When Daniel stepped out of the ele-vator at the ninth floor, he saw some thing that sent his heart into his throat The front door of the big manufacturing loft was open. It was partially de-stroyed. The heavy steel sheathing on the outside of the four inches of oak had been rolled back from the lock like the skin of an orange, a hole had been cut around the lock and the heavy Fox

lock itself had been forced. the workroom, which faces Elizabeth street. There stood two of the firm's BOSTONfour safes open, and before one of them I was a great pile of empty trays, o shelves and small strong boxes, their covers pr.ed open. One of the safes. nine by seven by three and one-half feet in dimensions, had contained \$20,000 worth of completed stock - diamond rings and stick pins, emerald carrings, BOSTON-

had its doors blown open. Nothing but the firm's books and papers were in this safe and these the disguisted burglars had pulled out onto the floor. In the larger of these two safes spo,000 worth of unset gems, gold, plat inam and other precious metals reposed. This the burglars had tried hard to get They had first knocked the tops off the ninge pins and tried to force these down and out of the hinges. That failing, they had burned through with an CINCINNATI-0 bar across the front of the safe doors. But even at that their work was in 0 vain; the tumbiers would not answer

The smaller of the two safes was open. though the burgiars did not know it and contained nothing but the jewellers' dies. The yeggmen started to bore into the door of this one, but gave up their
